

experience the Iron-Wood way of hunting

IRONWOOD

P R E S E R V E

It is easy to understand the benefits of membership at Iron-Wood Preserve. Simply put, it is about having complete privacy and exclusivity of your hunting opportunities.

“There are a couple of things that separate Iron-Wood from the rest of the places I’ve hunted. First when you go there to your hunt you have the entire place to yourself and the folks you’ve invited. Second is the mule drawn wagons, which is unique in its own way, and they seat up to a group of six. The nice thing about this is you are with all of your guests the entire hunt. Third is the meals – not just the quality because all of the places have good food. But it’s the way it’s served “family style” which if you have a hearty appetite is great.”
